BACKGROUND

ALL London TILT (Technology in Language Teaching) webinars

In order to support language teachers faced with 'lockdown' ALL London (with its Zoom account and website) has teamed up with Joe Dale (Chief Talent Scout and tech networker extraordinaire) to host a wide variety of practising teachers and lecturers from across the world who share their experience of using technology to connect with students during periods when they cannot meet face-to-face. Sessions cover a wide range of aspects to consider for all sectors:

- common platforms for communication,
- designing a curriculum which can pivot between no tech / all tech and the spectrum of hybridity between, finding, creating and storing online resources and activities for all skills at all stages of the learning process (e.g. presentation, practice, production) which will motivate and interest learners working in isolation, all with their own individual needs and perspectives
- Tools and resources to assess learning formatively and summatively, providing learners with helpful feedback (rewards and indication about how to progress)

The list of 50 webinars recorded since 19th March is available on the [home webinar page of the ALL London site](#). Each webinar title links to a separate page with description, link to recording, participant chat record, class photo, and any links to presentations where available.

B: Context

ALL will continue to give full analysis and run webinars etc.

Timeline

DfE and Ofqual have specified what content must be tested (and how) for GCSE French, German and Spanish in new exams for first teaching from September 2024 and first testing in 2026 (i.e. to students entering Y9).

Exam boards have produced draft associated new specifications and Sample Assessment Materials (SAMs).

At the time of writing those for AQA and Edexcel in French have been approved by Ofqual (2nd Eduqas draft French just published); **all examples in this talk are consequently in French.**

AQA and Edexcel have published draft German and Spanish specifications and are awaiting approval.

Autumn 2023 Decision on selecting exam board ready for option evenings in Spring 2024. Plan schemes of work to ensure prepared for new exam.

Autumn 2024 First year 10 cohort starting the new (2024) GCSE French, German and Spanish GCSEs. [Current Year 8]

Summer 2025 Final assessment of current (2016) specifications

Summer 2026 First assessment of the new (2024) GCSE

Main messages from the outset!

1. There are changes in formal requirements of the GCSE Subject content **BUT** there is **less change in the actual exam experience**. So, ask yourself: 'How much do I really need to change?' [Try out the SAMs on your Year 11]
2. An **'easier' exam does not mean fairer grades**. [Bunched marks = narrower closer grade boundaries = less discrimination]
3. An **'easier' exam does not mean higher grades**. Grading decided by comparable outcomes (set by **Ofqual**, not **exam board**): overall outcome will be the same, whatever changes we make in pedagogy or assessment. [See next 3 slides]
4. Teaching and learning should surely be broader and richer than the actual exam, building on the requirements for KS3 in the **National Curriculum** Programme of Study. **It's really important to keep separate the TEACHING AND LEARNING from the final ASSESSMENT.**

Severe grading

- Grading determined by comparable outcomes by Ofqual
[Not exam boards]
- Grading in French, German and Spanish is still severe relative to other EBacc subjects [FFT post + David Blow article – next 2 slides]

Recent FFT reminder

FFT Revisiting subject difficulty at Key Stage 4

<https://ffteducationdatalab.org.uk/2023/06/revisiting-subject-difficulty-at-key-stage-4/>

The rank order remains similar to [the last time we looked at this in 2019](#). Grades in English language tend to be slightly higher than those in maths.

Pupils who enter art and design tend to achieve half a grade or more higher than in English and maths.

By contrast, pupils who enter French, German, Spanish and computer science tend to achieve half a grade lower than in English and maths.

Despite efforts to bring French and German in line with Spanish, they still seem more severely graded.

And [Spanish is still more severely graded than other subjects anyway](#).

Vocabulary / Themes

Composition of vocabulary content 1/2

1,200 lexical items for foundation tier, and a further **500** lexical items for higher tier + **words** which can be **regularly inflected** and (for reading only) **regularly derived from listed lexical items using the grammar specified** in the grammar annex

[NB one entry can list different meanings – still only counts as one e.g. histoire]

‘Lonsdale, D. & Le Bras. Y. (2009). A frequency dictionary of French: Core vocabulary for learners. London: Routledge’

Unfortunately, the source used is based on official language rather than that likely to be used in everyday life by teenagers.

Routledge – examples – pets!

- Note constraints – dilemma for the AO to select the precious 15% over-2000 allowance [reduced further by required grammatical conjugated verbs]
- **Distinguish between T&L (appropriate to your students) and Testing (S+W open; L+R defined)**
- Consider rationale (if fewer specific examples of a category, more range for other areas... c.f. approach for current spec – deliberate omission of very common words in order to allow 10% non-vocab list rule to include familiar vocab)

Implications

Audit your KS4 SoW against vocabulary and themes listed in the Exam board specification. *[Note that some KS4 vocabulary may not be appropriate for KS3. There is time to cover new vocabulary in KS4]*

- **Add** vocabulary especially cultural words) through planned activities and reference booklets (Texts / transcripts / vocabulary booklets / vocabulary interactive activities) esp. for use in **receptive Listening and Reading**
- **Retain** vocabulary which pupils may need for **productive** tasks of speaking and writing about their **own contexts**, but signpost as 'on a need to know' basis.

Implications

Audit your KS4 SoW against requirements for productive command of grammar and phonics as listed in the Exam board specification.

- Add grammatical content where needed (e.g. High Frequency anchor verbs (7F+2H), High Frequency Verbs (9F). Explicitly introduce students to the defined list of '**derivational morphology**' strategies for reading tasks
- Consider removing **grammatical** content which is unnecessarily complex for the new GCSE (but retain and signpost as 'advanced' if in your context students can cope with extra and may be considering A level).
- Ensure **pronunciation** is covered at KS3 relating it to **phonics** elements where appropriate and continue to reinforce throughout KS4. Adapt approach according to language taught (FGS have different demands)

A town in Togo

You see an article by Essie, a young girl who lives in Togo, a country in Africa.

She describes her town, Sokodé.

Sokodé se situe au centre du pays. Sokodé est la deuxième ville du pays. Pour moi, il y a deux avantages de vivre ici. Nos voisins sont toujours heureux. Il y a de très jolis bâtiments au centre-ville.

Par contre, il y a des inconvénients. Il fait toujours trop chaud, même le soir. C'est difficile à supporter. J'adore acheter des vêtements avec mon frère mais les magasins sont trop loin de chez nous.

A Sokodé, il faut essayer **le veyi**, c'est riche en légumes et avec ça, je prends une boisson froide.

Read the last sentence again. What would you do with **le veyi**?

Write the correct letter in the box.

A	Clean it.
B	Eat it.
C	Wear it.

Helping people

2 Read Maxime's blog about her future career plans.

Je m'appelle Maxime et bientôt, je vais avoir quinze ans. À treize ans, j'ai commencé à m'intéresser aux questions de société.

On a déjà trouvé quelques solutions contre le sexisme et le racisme mais la sécurité est encore un problème. Dans mon quartier, il y a de la violence. Les jeunes qui n'ont pas de travail ont peu d'argent mais beaucoup de rêves !

Mon ambition est de lutter pour l'égalité. Je voudrais étudier les droits de l'enfant à l'université et un jour, devenir *avocate*.

Mark	AO2: Response to stimulus
9–10	The meaning of the original language is fully and appropriately transferred; any errors do not detract from the overall clarity of the message.
6–8	The meaning of the original language is mostly transferred appropriately. Occasional errors affect the clarity of the message, e.g. incorrect words, omitted words, inexact syntax.
3–5	The meaning of parts of the original language is appropriately transferred. Some errors prevent the message being conveyed, e.g. some use of incorrect words, omitted phrases, incorrect tenses.
1–2	Intermittent parts of the original language are appropriately transferred. Frequent errors prevent the message being conveyed, e.g. frequent use of incorrect words, omitted phrases, incorrect tenses.
0	No rewardable communication.

The following example response gives an appropriate transference of meaning. Any alternative, appropriate wording will also be rewarded.

Question number	Model response
9	I'm doing vocational training in sixth form this year. In the future, I would like to open my own restaurant. My parents and I dream of living in Canada. We are going to Montréal next year and I have already found a job! I will work in a fast food restaurant which needs young people who speak French.

Implications

Review assessments:

- Test comprehension in English.
- Target words and grammar listed in subject content, including cultural words.
- Avoid over-demanding, demoralising assessments e.g. allow 3 hearings of longer passages (Edexcel) and/or devise shorter passages with fewer questions (AQA).

Section B	
Dictation	
You will now hear 4 short sentences.	
Listen carefully and using your knowledge of French sounds, write down in French exactly what you hear for each sentence.	
You will hear each sentence three times: the first time as a full sentence, the second time in short sections and the third time again as a full sentence.	
Use your knowledge of French sounds and grammar to make sure that what you have written makes sense. Check carefully that your spelling is accurate.	
[8 marks]	
Sentence 1	_____

Sentence 2	_____

Sentence 3	_____

Sentence 4	_____

Section B		
Dictation		
The dictation is assessed for Communication of meaning (AO1) (4 marks) and Transcription and grammatical accuracy (AO3) (4 marks) as specified in the criteria below.		
The maximum mark for Section B at Foundation tier is 8 . When awarding the marks for AO1 and AO3, the student's response across all the spoken extracts should be considered as a whole.		
Level	Mark	AO1
4	4	The meaning of the spoken extracts is always or almost always communicated clearly
3	3	The meaning of the spoken extracts is mostly communicated
2	2	The meaning of the spoken extracts is sometimes communicated
1	1	The meaning of the spoken extracts is rarely communicated
0	0	The meaning of the spoken extracts communicated does not meet the standard for Level 1 at this tier
Level	Mark	AO3
4	4	Words are frequently transcribed correctly with a good level of grammatical accuracy
3	3	Words are generally transcribed correctly with a reasonable level of grammatical accuracy
2	2	Words are occasionally transcribed correctly with a limited level of grammatical accuracy
1	1	Words are very rarely transcribed correctly with a very limited level of grammatical accuracy
0	0	Transcription and grammatical accuracy do not meet the standard for Level 1 at this tier
Notes		
<ul style="list-style-type: none"> When awarding a mark for AO1, you should consider the spoken extracts as a whole and decide to what extent their meaning is conveyed to a native speaker, regardless of how they have been transcribed. The key question to ask is: would a native speaker understand the meaning of the student's response, taking into account the context of the spoken extracts? Eg <i>Hier, j'ai jouer au football</i> – the meaning would be communicated despite the use of an infinitive instead of a past participle. Once you have decided on the mark for AO1, you should read through the whole transcription once more and decide on the mark for AO3. A mark of zero for AO1 automatically results in a mark of zero for AO3, but apart from that, the AO1 mark does not limit the mark for AO3.

(Total for Question 12 = 10 marks)

SECTION B: DICTATION (10 marks)

Students will listen to a series of short extracts and will transcribe what they hear into French. Students will be rewarded for each individual word spelled appropriately and which demonstrates knowledge and understanding of Sound Symbol Correspondences (SSCs). The number of rewardable words will then be given a mark on a sliding scale of 1 to 10 as shown in the grid below.

Mark	Number of rewardable words
10	19-20
9	17-18
8	15-16
7	13-14
6	11-12
5	9-10
4	7-8
3	5-6
2	3-4
1	1-2
0	0

Rewardable words encompass the following categories:

- Words spelled exactly as in the transcript (NB: words in brackets are part of the rubric and are not part of the test):
 - (Ma) famille (aime la) musique.
 - (Je) joue (du) piano.
 - (Mon) frère (adore le) violon.
 - Ma sœur chante bien.
 - Demain, j'ai un concert.
 - Mon père écoute la radio.
- In acknowledgement that many grammatical/morphological differences cannot be heard when spoken, spellings with **grammatical/morphological inaccuracies**, that do not change the pronunciation of the words, are rewarded. Examples of **grammatically based spelling inaccuracies** that will be rewarded:
 - deux maison instead of deux maisons
 - je veut instead of je veux
- In acknowledgement that some SSCs have the same sound but different spellings, any spellings that do not change the pronunciation of the word and where the word is still recognisable, are rewarded. Examples of **sound spellings** that will be rewarded:
 - double consonants: addore instead of adore, fammille instead of famille, nouriture instead of nourriture
 - extra letter: soeur instead of soeur
 - accents: peches instead of pêche

Non-rewardable words encompass the following categories:

- Mis-spellings due to incorrect application of Sound symbol correspondences, even if the word looks recognisable, eg violin instead of violon. If in doubt, examiners should read the words the students have written out loud to themselves, using the correct SSC for the written symbols, to ensure that the spelling produces the correct sound.
- Mis-spellings which are written phonetically, and which may contain appropriate Sound symbol correspondences, but which are so inaccurate that the words are unrecognisable if seen on their own in isolation, outside the context of the sentence, eg, œur (sœur) outside the sentence *Ma sœur chante bien*; gatto in the sentence, *Le gatto (gâteau) au chocolat est bon*. If in doubt, examiners should write the word out separately and ask themselves if they would understand the word if written in isolation.

Implications

- Expose students to opportunities to listen and follow written transcript as much as possible (to get used to SSC and be exposed to words likely to be used in test.
NB: There will never be more than 2 words not on the defined list.
- Give students experience of the test-type.
NB Do not necessarily introduce task type to KS3 or use as a discriminator for setting, as this can be demoralising for those with dyslexia.

Part 1 – Role-plays

ROLE-PLAY 1 (FOUNDATION TIER)

CANDIDATE'S ROLE

Instructions to candidates

You are talking to your French friend.

Your teacher will play the part of your friend and will speak first.

You should address your friend as *tu*.

When you see this – ? – you will have to ask a question.

In order to score full marks, you must include a verb in your response to each task.

- 1 Describe your town / village. (Give **one** detail.)
- 2 Say when you go to town. (Give **one** detail.)
- 3 Say where you like to go in town. (Give **one** detail.)
- 4 Give **one** opinion of your region.
- ? 5 Ask your friend a question about where they live.

5

ROLE-PLAY 1 (FOUNDATION TIER)

TEACHER'S ROLE

- You begin the role-play.
- You should address the candidate as *tu*.
- You must read out the teacher's role shown below in italics **without any changes**.

You must begin the role-play by using the introductory text below.

Introductory text: *Tu parles avec ton ami(e) français(e). Moi, je suis ton ami(e).*

1		Ask the candidate to describe their town or village. <i>Décris ta ville ou ton village.</i> Allow the candidate to give one detail of their town or village.
2		Ask the candidate when they go to town. <i>Quand est-ce que tu vas en ville ?</i> Allow the candidate to say when they go to town. (Elicit one detail.)
3		Ask the candidate where they like to go in town. <i>Où est-ce que tu aimes aller en ville ?</i> Allow the candidate to say where they like to go in town. (Elicit one detail.)
4		Ask the candidate what they think of their region. <i>Qu'est-ce que tu penses de ta région ?</i> Allow the candidate to give one opinion of their region.
5	?	<i>C'est intéressant.</i> Allow the candidate to ask you a question about where you live. (Give an appropriate response.)

Part 1 – Role play

This part of the test consists of a Role-play which is prepared by the student in the preparation time. Each student completes one Role-play at the tier for which they have been entered. The Role-play is recommended to last between one and one and a half minutes at both tiers.

There are five tasks, each of which is awarded up to two marks for AO2.

Assessment criteria for each role-play task

Mark	AO2
2	The message is conveyed without ambiguity.
1	The message is partially conveyed or conveyed with some ambiguity.
0	No part of the message is conveyed.

Notes

- Where students are required to give two responses or details in one task, failure to convey an unambiguous message in reply to one of them means that the message is partially conveyed and one mark is awarded.
- The tasks on the Candidate's card and the notes in the Teacher's Booklet clearly explain how much detail the student is expected to give per task. However, some students may still go beyond the minimum requirement of the task. When this happens, as soon as the task is accomplished, any further incorrect information given by the student is ignored for assessment purposes

The maximum mark will be 10 (2 x 5 tasks). See **Appendix A** for a detailed mark scheme for each role play.

FOUNDATION TIER

CANDIDATE'S CARD

Reading aloud Task 1

When your teacher asks you, read aloud the following text in **French**.

Le collège commence à huit heures.

J'étudie beaucoup de matières et j'aime bien ça.

A la récréation, je parle avec mes amis.

Mon copain est très intelligent.

Plus tard, il veut travailler en France.

You will then be asked four questions in **French** that relate to the topic of **Education and work**.

In order to score the highest marks, you must try to **answer all four questions as fully as you can**.

Part 2 – Reading aloud task

The Reading aloud task has two elements:

- reading aloud of a text
- answering four compulsory questions specified in the Teacher's role

Each student prepares one short text in the preparation time. After reading the text out loud, the student takes part in a short unprepared conversation on the topic of the text.

This part of the test is recommended to last between two and two and a half minutes at Foundation tier and between three and three and a half minutes at Higher tier, for both elements of the task combined.

Reading aloud of the text (5 marks AO3)

If students self-correct their pronunciation of a word or words, it is the final, corrected, version that is assessed. If students restart the reading aloud task, it is the final attempt which is marked.

Reading aloud of the text is marked according to the following criteria:

Foundation Tier

Level	Mark	AO3
5	5	There may be minor errors and a few major errors in pronunciation.
4	4	There are regular minor and some major errors in pronunciation.
3	3	There are frequent minor and frequent major errors in pronunciation.
2	2	Pronunciation is rarely accurate.
1	1	Pronunciation is very rarely accurate.
0	0	Does not meet the standard required for Level 1 at this tier.

Higher tier

Level	Mark	AO3
5	5	Pronunciation is always or nearly always accurate but there may be an occasional minor error.
4	4	There are a few minor errors in pronunciation.
3	3	There are some minor errors and very occasional major errors in pronunciation.
2	2	There are minor errors and a few major errors in pronunciation.
1	1	There are regular minor and some major errors in pronunciation.
0	0	Does not meet the standard required for Level 1 at this tier.

Notes

- A major error is one which adversely affects communication.
- A minor error is one which does not affect communication.

- You will then be asked two questions related to what you have read.
- You are expected to say a few words or a short phrase/sentence in response to each question. One-word answers will not be sufficient to gain full marks.

Assessment criteria for the Foundation tier – Task 1

Read aloud – Foundation tier (12 marks)

Part 1 Read aloud (8 marks)

Students will read aloud a short text. There is one mark grid to be applied to this task. The mark grid is used to assess the clarity and comprehensibility of pronunciation based on knowledge and understanding of Sound Symbol Correspondences (SSCs). Examiners **must** use the specific *Guidance on application of read-aloud mark grid*, exemplification of live assessments issued at standardisation and their professional judgement before deciding on a mark.

Part 1 – Read aloud – Foundation tier

Mark	AO3: Knowledge and accurate application of vocabulary
7–8	Pronunciation is generally clear and comprehensible; lapses in SSCs have little or no impact on the message.
5–6	Pronunciation is sometimes clear and comprehensible; lapses in SSCs occasionally makes the message unclear/difficult to understand immediately.
3–4	Pronunciation is occasionally clear and comprehensible; lapses in SSCs sometimes cause the message to break down.

FOUNDATION TIER

TEACHER'S ROLE

Reading aloud Task 1

This part of the test is recommended to last between **two and two and a half minutes**. This includes the reading aloud of the text and the four questions below.

After the role play is finished, ask the candidate to read the text, by saying *Lis-moi le texte*.

Allow the candidate to read aloud the text and then ask the following four questions. You must ask the candidate these questions as they are printed here **without any changes**.

- Où est ton collègue ?
- Parle-moi de ta matière préférée.
- Quand est-ce que tu fais tes devoirs ?
- Qu'est-ce que tu penses de ton uniforme ?

Response to compulsory questions (10 marks AO1)

Foundation and Higher tiers

After the student has completed the read aloud task, four compulsory questions are asked by the teacher-examiner.

The student's response to the four compulsory questions is marked as a whole, according to the following criteria. Marks are not awarded to individual questions. The same assessment criteria are used at both tiers.

Level	Mark	AO1
5	9-10	<ul style="list-style-type: none"> • All questions are answered clearly. • At least two answers have an extended response and at least one other is developed well.
4	7-8	<ul style="list-style-type: none"> • At least three questions are answered clearly. • One answer has an extended response and at least one other is developed well.
3	5-6	<ul style="list-style-type: none"> • At least two questions are answered clearly. • One answer is developed well and at least one other is developed minimally.
2	3-4	<ul style="list-style-type: none"> • At least two questions are answered understandably. • One answer is developed minimally.
1	1-2	<ul style="list-style-type: none"> • At least one question is answered understandably. • The answer(s) may be a very limited response.
0	0	Does not meet the standard required for Level 1 at this tier.

Marking guidance

As regards clarity of response:

Answered clearly	The intended message is clear. There may be minor errors, for example of gender or adjectival agreement, but they have no effect on communication.
Answered understandably	Something is understood from the response, but there is a lack of clarity caused by a grammatical error or mispronunciation which affects communication.

As regards development of answers:

Extended response	A response which contains at least three clauses (a piece of information that includes an appropriate verb): <ul style="list-style-type: none"> - What do you do at the weekend? - I go to the cinema with my friends and we watch action films. I love action films.
Developed well	A response which contains two clauses (a piece of information that includes an appropriate verb): <ul style="list-style-type: none"> - What do you think about social media? - I don't like social media because it's boring.
Developed minimally	A response which adds a piece or pieces of information, for example in the form of a noun or adjective: <ul style="list-style-type: none"> - What do you eat in order to stay healthy? - (I eat) vegetables and fruit.
Limited response	A response which answers the question without any extra information: <ul style="list-style-type: none"> - How many subjects do you study? - (I study) ten (subjects).

Read aloud

Edexcel Foundation: 2 unseen Qs

Follow-on questions

Once the candidate has read the text aloud, you **must** take the stimulus material from them.

You should then ask the following questions.

Q1. *Qu'est-ce que tu aimes faire pour ton anniversaire ?*

Q2. *Qu'est-ce que tu penses de la télévision ?*

The questions must not be rephrased. If the candidate does not respond, the question may be repeated twice. Where a candidate answers incorrectly, do not repeat the question.

Part 2 – Short interaction based on text – Foundation tier (4 marks)

Students will answer two short questions based on the text they have read aloud. The mark grid is applied once to each response. There is a maximum of 2 marks for each answer. Students are awarded for an appropriate and clearly communicated response to the teacher's question. Where the response is not relevant or appropriate to the question asked, a mark of 0 should be awarded. Examiners **must** use the specific *Guidance on application of mark grid*, exemplification of live assessments issued at standardisation and their professional judgement before deciding on a mark.

Mark	AO1: Response to spoken language
2	Response fully communicated.
1	Response partially communicated, some ambiguity.
0	No rewardable communication.

Guidance on application of mark grid

To exemplify application of the marking criteria for the short interaction, read aloud FRA1 has been selected to demonstrate a possible range of performance. This guidance should be viewed in conjunction with the student and teacher cards, and the assessment criteria in the mark grid.

Question 1: Qu'est-ce que tu aimes faire pour ton anniversaire ?

Mark	Possible responses	Application of mark descriptor
2	J'aime faire la fête avec mes amis.	Response fully communicated.
1	Un gâteau au chocolat.	Some ambiguity; the response does not fully communicate what the student likes to do on their birthday but implies that they like eating chocolate cake so one mark is awarded.
0	J'aime ton anniversaire.	No rewardable material.

Question 2: Qu'est-ce que tu penses de la télévision ?

Mark	Possible responses	Application of mark descriptor
2	La télévision, c'est génial	Response fully communicated.
1	Je pense nul.	Ambiguity; whilst <i>nul</i> communicates a negative reaction, the absence of <i>c'est</i> creates some ambiguity of meaning.
0	Déteste.	A one-word answer is insufficient for communication here.

FOUNDATION TIER

Card A Teacher's Notes

Theme: People and lifestyle

The candidate is given a card containing two photos and makes notes on them in the preparation period

You ask the candidate to talk about the photos. At Foundation tier, the recommended time is approximately **one minute**. The candidate must say at least one thing about each photo. You then have an unprepared conversation which is recommended to last between **three and four minutes**.

Candidates may use any notes they have made during the preparation time.

You begin by asking the candidate to tell you about the photos.

- Parle-moi des photos.

When the candidate has finished talking about the photos for approximately one minute, you have a conversation within the theme of **People and lifestyle**. This can include any or all of the prescribed topics:

- Identity and relationships with others
- Healthy living and lifestyle
- Education and work

At Foundation tier, Part 3 of the test is recommended to last in total **between four and five minutes**. This includes the description of the photos and the unprepared conversation.

Please see pages 112-113 for guidance on questioning technique.

Guidance for teacher-examiners on questioning technique for the Photo card unprepared conversation

In order to score well for AO1, students need to:

- convey as much information as they can
- develop their answers wherever possible
- produce language which is clearly understandable.

As a teacher-examiner, your aim in this part of the test should be to encourage every student to reach their potential. To facilitate this, you need to decide, as the test is progressing, which questions and potentially which aspects of the topics within the theme will elicit the best performance from each student. Higher attaining students may be able to sustain a longer and more developed conversation on a particular topic or aspect of a topic, whereas lower attaining students may need to be asked questions from more topics in order to maintain the conversation for the recommended amount of time for the tier.

All students are different and therefore you should adopt the practice of proceeding through the unprepared conversation based on what the student says, rather than using a pre-set list of questions. You should decide which questions to ask next and how to develop the conversation further by listening carefully to the responses the student has given and by asking appropriate follow-up questions. The student should be given the chance to sustain the conversation as much as possible. The more you speak, the less time will remain for the student to do so. You should consider carefully the type and length of questions you ask.

There are essentially two different types of question: closed and open. Closed questions will elicit short responses such as 'yes', 'no' or a one-word or one-phrase answer (see examples below), while open questions will elicit longer and more developed responses (see examples below).

If it is clear that a student has not understood a question, you may rephrase or simplify the question in order to accommodate the student's response or lack of response. However, if it is apparent that the question has not been understood, it is usually unwise to repeat it more than once since this could waste time and impact on the student's confidence. In this case, it is important that you help the student to continue the conversation. This may mean moving to another more accessible question or even on to another topic within the prescribed theme.

In order to encourage development of a student's response, short prompts can be used eg 'Pourquoi?', 'Pourquoi pas?'. Lower attaining students are likely to require more frequent prompting in order to sustain the conversation.

When asking questions, you should try to give each student the opportunity to develop their answers, focusing in mind their ability. Students will often feel comfortable when beginning to talk about a different topic area if they are asked 'Parle-moi de ...' or 'Décris-moi ...' as this will enable them to use the vocabulary and structures with which they are comfortable. Open questions will enable students to give more information and to provide longer answers, for example:

- Parle-moi de ton village/ta ville.
- Quels sont les avantages d'Internet?
- Qu'est-ce que tu penses de ton collège?
- Quelle est ton opinion des réseaux sociaux?
- Décris-moi ta célébrité préférée.

- Parle-moi d'une fête que tu aimes.
- Quels sont les problèmes pour l'environnement dans ta région?

More closed questions can be useful for maintaining the flow of the conversation and may often be more helpful for lower attaining students. These may be followed by follow-up questions once the student has provided an initial response. For example:

- Tu aimes le football? (student replies Oui/Non) ... Pourquoi (pas)?
- Quand est-ce que tu sors avec tes amis? (student replies Le week-end) ... Tu vas/vous allez où? / Ou est-ce que tu vas/vous allez?
- Il y a combien d'étudiants dans ta classe de français? (student replies Vingt-cinq) ... Ils sont sympas?
- Quel est ton film préféré? (student names a film) ... Pourquoi?
- Tu préfères l'anglais ou les maths? (student chooses one of them) ... Pourquoi?
- Tu habites où? (student says Manchester) ... Décris-moi/Parle-moi de Manchester.
- Tu penses que c'est important d'aller à l'université? (student replies Oui/Non) ... Pourquoi (pas)?

It is important to adjust your questions to the ability of each student. Asking questions that are likely to need more complex language in the answer may be suitable for higher attaining students, but they may lead to a lack of clarity for those whose linguistic skills are more limited. This will have a bearing on the marks for both AO1 and AO3.

In order to score well for AO3, students need to:

- vary the vocabulary and structures as much as they are able to
- use language accurately.

Students will often use the verb which appears in the question that they are asked, so try to vary the verb used in more common question types. For example:

- Qu'est-ce que tu aimes (faire) ...? / Qu'est-ce que tu préfères (faire) ...?
- Qu'est-ce que tu veux (faire) ...? / Qu'est-ce que tu voudrais (faire) ...?
- Tu penses que ...? / Tu crois que ...?

Describe **ONE** of these pictures. You will tell your teacher which one you have chosen to describe.

Your description must cover:

- people
- location
- activity.

When you have finished your description, your teacher will ask you two questions relating to your chosen picture. You are expected to say a few words or a short phrase/sentence in response to each question. One-word answers will not be sufficient to gain full marks.

You will then move on to a conversation on the broader thematic context of **My personal world**.

During the conversation, your teacher will ask you questions in the present, past and future tenses. Your responses should be as full and detailed as possible.

Picture description

Start by asking the candidate which picture they have chosen to describe. Once their response is clear, continue with the instruction: Describe the picture.

To encourage the candidate to address all the prompts and to develop their description, teachers may prompt by asking the following questions:

- (Et) les personnes ?
- (Et) c'est où ?
- (Et) que font-ils ?
- Autre chose ?

These prompts must not be rephrased. Each prompt can be used a maximum of three times.

Compulsory questions related to pictures

When the candidate has finished their description, ask the two questions below that relate to the candidate's chosen picture.

Questions for Picture 1

(a) *Quel est ton repas préféré ?*

(b) *Qu'est-ce que tu aimes faire à la maison ?*

Questions for Picture 2

(a) *Qu'est-ce que tu aimes boire ?*

(b) *Où est-ce que tu aimes aller avec tes ami(e)s ?*

The questions must not be rephrased. If the candidate does not respond the question may be repeated twice. Where a candidate answers incorrectly, do not repeat the question.

Please turn over for instructions for the conversation.

Follow-on conversation on the broader thematic context

- You must begin the follow-on conversation by asking the candidate to talk about **REGULAR ACTIVITIES**, for example: *que fais-tu normalement après l'école ?*
- Use the candidate's responses to continue the conversation about this subject as well as other areas of the thematic context, and the interests and experiences of the candidate.
- Give the candidate the opportunity to respond in the present, past and future tenses and to develop full and detailed responses.

The questions below are examples of questions in the past and future tenses that you may also wish to ask during the conversation. They are not compulsory and do not have to be asked consecutively or in the order given .

(Past tense) *Qu'est-ce que tu as fait pour ton anniversaire l'année dernière ?*

(Future tense) *Qu'est-ce que tu vas faire avec ta famille / tes ami(e)s le week-end prochain ?*

HIGHER COMPUSORY: 1 PRES, 1 PAST

Compulsory questions related to pictures

Once the candidate has finished their description, you should ask two questions depending on which picture the candidate has chosen to describe.

Questions for Picture 1

- (a) *Qu'est-ce que tu aimes faire à la maison ?*
- (b) *Qu'est-ce que tu as mangé hier soir ?*

Questions for Picture 2

- (a) *Où est-ce que tu aimes aller avec tes ami(e)s ?*

Implications

- For both boards, broadly retain existing resources and methods for preparing photo card and conversations following up read-aloud and photo card. Check that all themes are covered. (e.g. Celebrity culture for AQA.)
- Role play: Add formal and transactional examples with reference to Edexcel specification.
 - The topics covered in the Edexcel role play, though not tested formally in AQA role play, are covered in AQA's reading, listening and writing papers.
 - Practising social contexts in role play, though not required for this test type by Edexcel, prepares well for the conversation that follows reading aloud and photocard description.
- Read aloud: Give students experience of the test-type using familiar vocabulary and 2 'new' words as per SAMs. *NB Do not necessarily use test as a discriminator for setting, as this can be demoralising for those with dyslexia.*
- Prepare [criteria](#) which can be used formatively and positively to prepare students for exam.

Question 01

For this question, students are required to write five sentences to describe the photo. Each sentence is marked separately and is worth a maximum of two marks, according to the following criteria. The whole sentence should be considered when awarding the mark. The maximum mark for Question 1 is 10.

Mark	A02
2	The relevant message is clearly communicated.
1	The message is relevant but has some ambiguity and causes a delay in communication.
0	The message is irrelevant or cannot be understood.

MARK SCHEME – GCSE FRENCH – AQA – SAMPLE ASSESSMENT MATERIAL

Statements must refer to what is in the photo and cannot refer to what is not in it. It is the photo and similar options about the photo, without mentioning what is in it, will score 0. However, if the sentence needs, for example, 'I like the photo because it is funny', it will score 2 marks.

If the sentence could possibly be true or is very broadly relevant, accept it. For instance, it is acceptable if the student writes 'The car is green', even though the photo is black and white. However, if the sentence is clearly false, it receives a mark of 0. For example, 'There is a star', when there clearly isn't one.

It is acceptable to write a figure (eg 'There are 2 people') rather than a word. This is true of all questions at both Foundation and Higher levels.

The aim of this question is for students to write in the present tense, but other tenses are also acceptable.

For 2 marks

- The response must be in the form of a sentence, using an appropriate conjugated verb. The only exception to this is where you could use a noun phrase, eg 'Il y a un garçon et une fille'. The same verb/grammatical structure may be repeated to make three or four sentences, eg 'Il y a un garçon et une fille'.
- Any sentence that is broadly relevant to the photo is given 2 marks. For example, imagine that the photo is a man in a car. The student writes, in the target language, 'Il est un homme'. He is not given 2 marks as he may not be a man to a 10-year old. It may be different from your perception of 'old'. He is a better answer if he is not apparent from the photo, it could potentially be true. He is a teacher (begin this potentially could be true). Each of these sentences would be awarded 2 marks.
- The first person and second person of the verb is acceptable, for example, 'J'aime la photo' or 'Je joue la photo'.
- There may be linguistic errors, but the message must be communicated without ambiguity.

For 1 mark

- The use of an infinitive in an otherwise appropriate response.
- Language errors causing ambiguity or a delay in communication, for example, 'They are waiting coffee'.
- A delay in communication because the response is too long, where one part communicates well but another part does not, for example, 'There is a family and they are a part'.

For 0 marks

- The message makes no sense.
- An inappropriate verb is used, for example 'I would like a house'.
- A single word.

Question 1 – Foundation tier (8 marks)

For this question, students are expected to produce four short sentences describing the picture. The mark grid is applied once to each individual sentence. There is a maximum of 2 marks for each sentence. Students are awarded marks for clear communication and relevance in relation to the picture.

Mark	AO2: Response to stimulus
2	Relevant information clearly communicated in a sentence or clause.
1	Relevant information partially communicated in a sentence or clause.
0	No rewardable material.

Guidance on application of mark grid for Question 1 Foundation tier

To exemplify application of the marking criteria, the grid below demonstrates a possible range of performances based on the mark grid.

2 marks	La mer est bleue.	Je vois la bleue mer.	Le pere est content.	Le pere est contente.	Il y a cinq personnes, ils sont camo la plage*
	Relevant information clearly communicated in a complete sentence or clause with a verb; may or may not contain minor errors which does not delay understanding of the sentence such as lack of or incorrect accents, minor spelling errors, incorrect word orders, missing punctuation.				
1 mark	Mer bleu.	Le mer sont bleu.	Le pere content.	Le pere être content.	Il as cinq personnes.
	Relevant information partially communicated, not a complete sentence or clause with a verb, or some ambiguity due to incorrect forms of verbs or other major errors.				
0 marks	Bleu.	Je vois un arbre.	Content.	Un pear content.	Ils sont camo
	No rewardable material, no relevant information clearly communicated, or not a complete sentence or clause.				

Specific guidance for Question 1

A clause refers to a part of a sentence that is separated from another by a comma or other punctuation.

*Students can still gain 2 marks for a sentence where only one clause contains clear, relevant information, e.g. *Il y a cinq personnes, ils sont camo la plage.*

Additional guidance

Interaction between AO2 and AO3 marks (all questions)

- The response to stimulus mark (AO2) does not limit the mark for linguistic knowledge and accuracy (AO3), except where a student produces a response that is wholly irrelevant to the task set. In this circumstance, 0 marks for both (AO2) and (AO3) will be awarded.
- Linguistic and grammatical errors are accounted for in the AO3 grid and should therefore be disregarded when applying the AO2 grid.

Errors (AO3 grids: all questions)

A *minor error* may or may not hinder clarity, i.e. the message may take time to understand but is understood (see tables below).

A *major error* prevents meaning being communicated, i.e. the message cannot be understood (see tables below).

Minor errors – may or may not hinder clarity			
Errors that do not hinder clarity		Errors that hinder clarity	
Adjective agreement	La mer est vert. Mon frère est intelligent.	Verb agreement	L'année dernière, ma tante acheté une voiture.
Spelling (slight)	J'aime le frommage.	Spelling (significant)	J'aime manger du poolot.
Gender	Dans le ville il y a un piscine.	Relative pronouns	Mon frère, que aime le foot, joue tous les samedi.
Accents (missing)	Mon anniversaire est le deux fevrier.	Accents (incorrect)	Ou est la garç ?
Contractions	Ma maison est près de le parc.	Vocabulary	Mon équipe a joué très mauvais. Mon ami est dans France.
Word order (incorrect)	Je n'ai mangé pas à midi.	Constructions	Je n'entends pas avec ma acour. En France il y a chaud en été.
Mother-tongue interference	Mon père est un professeur.	Mother-tongue interference	C'est mon anniversaire, je suis 16 ans.
		Tenses (inappropriate)	Je vais parti en vacances.

Major errors – prevents meaning being conveyed	
Verb agreement	Est-ce que nous allez au cinéma ce soir?
Spelling (misleading)	J'aime la nation et le tennis.
Tenses (incorrect)	Demain il est allé au collège en bus.
Incorrect verb formation	J'alle au marché. Je receive des cadeaux.
Vocabulary	Ma mère est courante.
Use of infinitive instead of conjugated verb	Lucie avoir un accident de voiture.
Mismatch of subject and possessive adjectives	Je veux s'amuser.
Mother-tongue interference	Mon père travaille dans un office. Il y a un museum en ville.

There are two mark grids to be applied to this question:

- AO2: Response to stimulus
- AO3: Linguistic knowledge and accuracy.

This question contains four bullet points that form part of the task. Examiners must use the *Additional guidance*, the *Exemplification of the mark scheme*, exemplification of live scripts issued at standardisation and their professional judgement before deciding on a mark.

Students are expected to produce 130–150 words for this task. The suggested word count is designed to guide students and they will not be penalised for writing more or fewer words than recommended. All work produced must be marked.

Implications

- For both Boards, broadly retain existing resources and practices for preparing the photo description and answering bullet points. Check that all themes are covered. (e.g. Celebrity culture for AQA)
- Give pupils experience of grammar multichoice test type. [Though this only features in AQA exam, it can be useful for all].
- Give pupils experience of selecting from 2 options. Consciously bear in mind inclusivity.
- Prepare [criteria](#) which can be used formatively and positively to prepare students for exam.

Question 4 – Foundation tier translation (10 marks)

There are two mark grids to be applied to this question:

- AO2: Response to stimulus
- AO3: Linguistic knowledge and accuracy.

The Response to stimulus grid (AO2) assesses how appropriately the meaning of the original language is transferred. Any appropriate wording is rewarded. The linguistic knowledge and accuracy grid (AO3) assesses the accuracy of the target language. Examiners **must** use the *Additional guidance*, the *Exemplification of the mark scheme*, exemplification of live scripts issued at standardisation and their professional judgement before deciding on a mark.

AO2: Response to stimulus		AO3: Linguistic knowledge and accuracy	
Mark	Descriptor	Mark	Descriptor
5-6	The meaning of the original language is appropriately transferred; only the occasional message may be unclear or incomplete.	4	Vocabulary and grammatical structures are generally accurate; some minor errors, there may be an occasional major error.
3-4	The meaning of some parts of the original language is appropriately transferred; the message sometimes breaks down or is incomplete.	3	Vocabulary and grammatical structures are sometimes accurate; errors include some major errors.
1-2	The meaning of limited parts of the original language is appropriately transferred; messages are frequently unclear and/or incomplete.	2	Vocabulary and grammatical structures are limited in accuracy; frequent errors occur, both major and minor.
0	No rewardable material.	1	Minimal instances of accurate vocabulary and grammatical structures; errors throughout, most of them major.
		0	No rewardable material.

Exemplification of the mark scheme: Translation

The following model response shows an appropriate transference of meaning of Question 4, Foundation tier in the *Sample Assessment Materials*.

Question number	Question	Model response
4(a)	I love school.	J'adore l'école.
4(b)	My favourite subject is history.	Ma matière préférée est l'histoire.
4(c)	The teacher is interesting and I learn a lot.	Le professeur est intéressant et j'apprends beaucoup.
4(d)	Last year, I studied every night at home.	L'année dernière, j'ai étudié chaque soir chez moi.
4(e)	If I work well, I can find a good job.	Si je travaille bien, je peux trouver un bon métier.

Example Response 1

- (a) J'adore l'école.
 (b) Mes matières préférées est l'histoire.
 (c) Le prof est intéressant et j'étudie beaucoup.
 (d) L'année dernière, j'ai étudié a maison chaque soir.
 (e) Si je travail bon, on peut trouver une bonne metier.

Total marks: 9 out of 10

Response to stimulus (AO2): 5 marks	Linguistic knowledge and accuracy (AO3): 4 marks
The meaning of the original language is appropriately transferred; only the messages in the second clause of (c) is slightly different from the original meaning, since it refers to 'studying' rather than 'learning' a lot.	Grammatical structures and vocabulary are mostly accurate; but there are some minor errors (e.g. "trouver", "mes"), and an occasional major error (e.g. "travail bon").

Example Response 2

- (a) J'aime collage.
 (b) Mon maiteres préféré est l'histoire.
 (c) Le professeur est intéressant et j.....beaucoup.
 (d) l'annee dernier je vais etudier a mes ...
 (e) Si je travaille, je vais au belle travaille.

Total marks: 6 out of 10

Response to stimulus (AO2): 3 marks	Linguistic knowledge and accuracy (AO3): 3 marks
The meaning of some parts of the original language is appropriately transferred, but the messages sometimes break down or are incomplete such as in (c), (d) and (e), and the message in (a) is slightly different from the original meaning.	Grammatical structures and vocabulary are sometimes accurate such as in (a), the second part of (b), and the first part of (c). Errors include both minor errors (e.g. "mon maiteres") and major errors (e.g. "... dernier je vais...").

Example Response 3

- (a) J'ader les collage
 (b) mon subject prefer l'histoire
 (c) les profs est interesant ettrop
 (d) l'annee prochain j'ai.....
 (e)

Total marks: 3 out of 10

Response to stimulus (AO2): 2 marks	Linguistic knowledge and accuracy (AO3): 1 mark
The meaning of limited parts of the original language is appropriately transferred, such as "les profs est interesant et...". The other messages are frequently unclear and/or incomplete. The candidate did not attempt (e).	There are minimal instances of accurate vocabulary and grammatical structures, with the candidate using English words and French words of incorrect meaning (e.g. "subject", "prochain"). There are both minor errors (e.g. "histoire") and major errors throughout (e.g. "... profs est", "trop").

Implications

Edit existing resources or create new ones to match grammar requirements and exam board vocabulary lists.

Prepare criteria which can be used formatively and positively to prepare students for exam.

Reminder: Main messages!

1. There are changes in formal requirements of the GCSE Subject content **BUT** there is **less change in the actual exam experience**. So ask yourself: 'Do I really need to change?' [Try out the SAMs on your Year 11]
2. An **'easier' exam does not mean fairer grades**. [Bunched marks = narrower closer grade boundaries = less discrimination]
3. An **'easier' exam does not mean higher grades**. Grading decided by comparable outcomes (set by Ofqual, not exam board): overall outcome will be the same, whatever changes we make in pedagogy or assessment.
4. Teaching and learning should surely be broader and richer than the actual exam, building on the requirements for KS3 in the National Curriculum Programme of Study. **It's really important to keep separate the TEACHING AND LEARNING from the final ASSESSMENT.**
