## Welcome to the ALL London Branch

[11.4.17: TO SEE OUR PRE-APRIL 2017 SITE, FOLLOW THIS LINK TO THE ARCHIVE PLEASE!](#)

We are friendly members of the national Association for Language Learning (ALL). If you'd like to know more about becoming a member of ALL [click here](#).

[Our committee](#) organises London-based face-to-face [events](#) to encourage close and sustainable networking between people: “The January Event” (usually the 2nd/3rd Saturday), “The June Event” (usually the 2nd Saturday) and “The TiLT Conference” (Technology in Language Teaching – usually the 3rd Saturday in April). In October we hold a **Student Teacher Reception** and a ‘Show and Tell’ at the Language Show Live followed by a **social**. These are all supported by generous [sponsors/partners](#), and we often receive lovely [feedback](#) from the delegates. We hope that our [photo gallery](#) conveys the vibrancy of

our events!

We pay to have access to online spaces in which we can hold [Webinars](#), the recordings of which can be accessed later by those who cannot attend ‘live’!

We are inclusive! Although we strongly encourage people to join ALL which supports work done at a national level, our events are open to all those who care about language Learning, wherever they live in the country. We keep in touch with what is going on MFL in other areas on our [Issues page](#) where we host important information about [Severe Grading](#). If you have any queries, do not hesitate to [contact us](#). Please join our mailing list. We look forward to seeing you one day!

Although we strongly encourage people to join ALL which supports work done at a national level, our events are open to all those who care about language learning. We have regular local events throughout the year which complement events organised at a national level. An enthusiastic and lively committee plans the events as shown by the online diary on our website. New members are always welcome. Please contact us for further information in any way which suits you best.'
